

La Cuesta - The Nica Life Development

\$18,000.00

La Cuesta is a development located in a quiet jungle setting less than five kilometers (2 miles) on the main paved highway from San Juan del Sur. The development boasts unobstructed views of green jungle and valley out to the Pacific Ocean. The premium lots and upper common area have 360-degree views of Lake Nicaragua and Maderas Volcano, endless valleys and jungles, three different bays, and the mountains of Costa Rica. All residents will be encouraged to put into place any off-grid systems they desire. Organic living is also encouraged, with the development surrounded by hundreds of fruit trees. All lots are a minimum
