

Heavily Wooded Property Before the Entrance to Playa Hermosa

Heavily wooded property of 16 manzanas or 28 acres (111,808.00 m²) 200 meters before the entrance to Playa Hermosa. The property is a bargain at \$7,000 per acre and is perfect for a development with long distance views of the ocean and great valley views! Less than 10 minutes drive south, all on paved roads, this property also has commercial potential due to the massive amounts of road frontage along the paved road heading toward the southern beaches. Take advantage of the clients coming and going to the very popular Playa Hermosa, Playa Yankee, Playa Coco, or any of the other southern beaches and destinations. Thi
