Multiunit Apartment Building - Investment Opportunity

Multiunit Apartment Building in Town in the heart of San Juan del Sur, Nicaragua, is the perfect rental-driven investment to add to your real estate portfolio. Within walking distance of all the amenities town offers, this property has five distinct rental units that can be rented long-term, short-term, or any desired combination. As we noted, the rental market for short and long-term rentals has grown over the last 24 months. This Multiunit Apartment Building in Town is the ideal property to take advantage of this growing market and offer rental units to tourists, remote workers, retirees, young couples, etc., look
