

Sun and Shade, Panoramic Views, Oro Lot 14

\$24,000.00

Panoramic views and shady grottos -- One lot offering two beautiful building spaces. Situate in the community of El Oro, 10 minutes from the center of San Juan del Sur, one enjoys endless sunsets, ocean views, as well as shady arboreal spaces to beat the tropical heat. Gently sloped for easy access and lower building costs, there is room for an estate sized home, a collection of bungalows or anything between. Your neighbors are close enough for comfort, but far enough for privacy, as the parcels in Oro are all spacious and elevated. A seasonal stream in the lower portion of the property should provide for a private well, o
