

Off Grid Tranquil Paradise Only 20 Minutes North of San Juan del Sur

Off off grid doesn't even begin to describe this peaceful paradise. Drive through old growth forest and across several shallow streams to access this property basically at the end of the road where no one comes unless they are coming to see you! A true tree hugging dream in the middle of nowhere but yet only 20-25 minutes from San Juan del Sur! This property is the ultimate in privacy except for one super cool neighbor who is selling you a small part of his paradise. The owner will even consider self-financing with 50% down and 6% interest paid off within 5 years maximum. Enjoy peaceful valley views, listen
