

Casa Luna in Balcones de Majagual

\$525,000.00

Casa Luna in Balcones de Majagual Casa Luna sits against a stunning jungle backdrop in the popular community of Balcones de Majagual. The home seamlessly blends natural elements, stylish decor, and modern amenities. A spacious two-story house with ocean views, there are three bedrooms and 2 bathrooms in the main building. As well, there is a caretaker's cottage or fourth bedroom with a dedicated bathroom. The location of the rooms on separate floors and buildings allows for privacy. High ceilings, cool whitewashed stucco walls, and stone floors give a spacious and airy feel. Additionally, this design keeps the
